Bursaries granted on financial need and on a first-come, first-served basis. Our bursary procedure is to provide no more than \$130.00 per camper for one session per summer. Bursaries can be used for all camp sessions, excluding CIT Camp. Our hope is that the bursary program will help to ensure that summer camp is financially viable for every child.

In order to hold a spot for your son or daughter, your camp registration form with a \$50.00 deposit needs to accompany this bursary application. Bursary applications will be processed and notices sent out to confirm acceptance starting in early June.

I/We make application for a bursary as indicated on this form. I/We realize that bursaries are subject to funds available and that awards granted in an equitable fashion at the discretion of Gesstwood Camp & Retreat Centre.
