

# So You Want To Spend A Week At Gesstwood Camp?

GESStWOOD Camp offers weeks of fun and self discovery for kids of all ages.

Campers will enjoy action packed days with activities including swimming, crafts, campfires, and more.

The best part about camp is the experience the campers will get when they spend their nights in our A-frame cabins with two staff members and up to 7 other new friends! A week at camp allows children the opportunity to make new friends, create new memories and experience Christian living in a welcoming and exhilarating environment.
